However, an Honorable discharge is required. If you have received a General Discharge Under Honorable Conditions then you must possess 48 semester hours from an accredited college or university.

The Houston Police Department Training Academy is certified for full-time Veteran's Administration Education Benefits. Military personnel who are eligible for G.I. Bill benefits may receive an additional educational stipend up to \$1,600.00 per month from the Veteran's Administration while being trained as a police officer. These benefits are paid during the six months of attendance at the Training Academy and also while you are assigned to the Field Training Officer Program.

You may visit the Department of Veterans Affairs site at www.va.gov/ to learn more about your G.I. Bill benefits.
